# DIMPLE

## SAFETY INFORMATION

Please contact a licensed electrician.  
Suitable for dry, indoor use only.  
Only suitable for direct mounting to non-combustable surfaces.

Under no circumstances can Anna Karlin lighting be mounted on  
normally flammable surfaces.  
Maximum ambient temperatures: 25°C

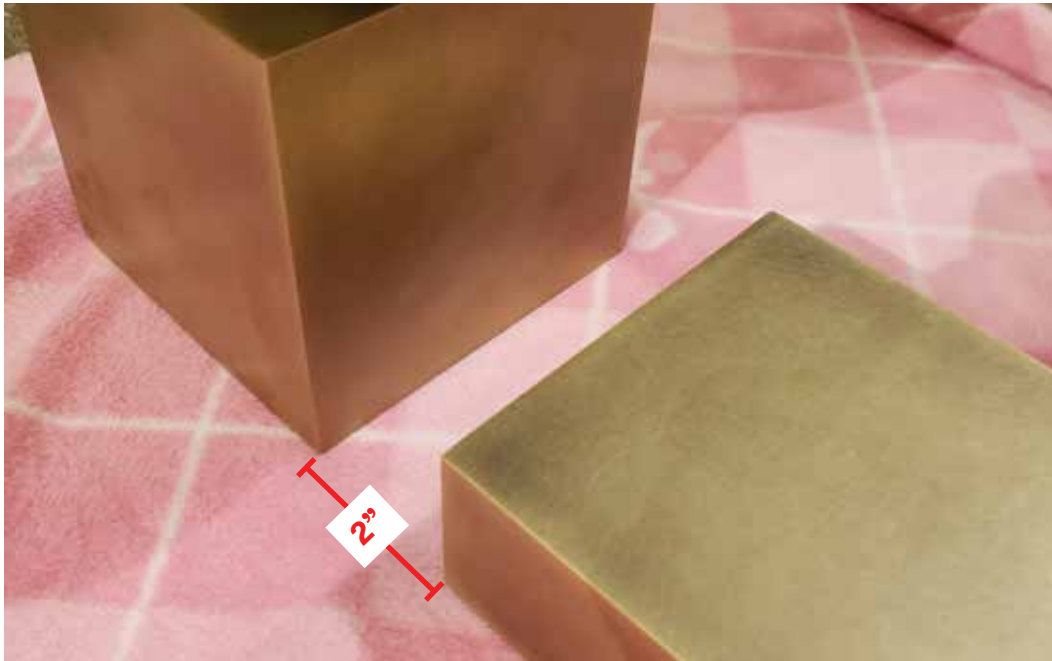

---

COMPLETE STEP 1 ONLY IF LIGHT INCLUDES SECONDARY PLINTH BLOCK.  
OTHERWISE, SKIP TO STEP 2.

1. Place plinth block 2" away from cube, on same side as marble sphere.

2. Align hook-and-loop pads on glass and marble sphere, then press firmly until engaged. Make sure silicone pad on base of glass makes contact with plinth block or tabletop, to avoid scratching surface.
