Please contact a licensed electrician for installation.
Suitable for dry, indoor use only.
Maximum ambient temperatures: 25°C

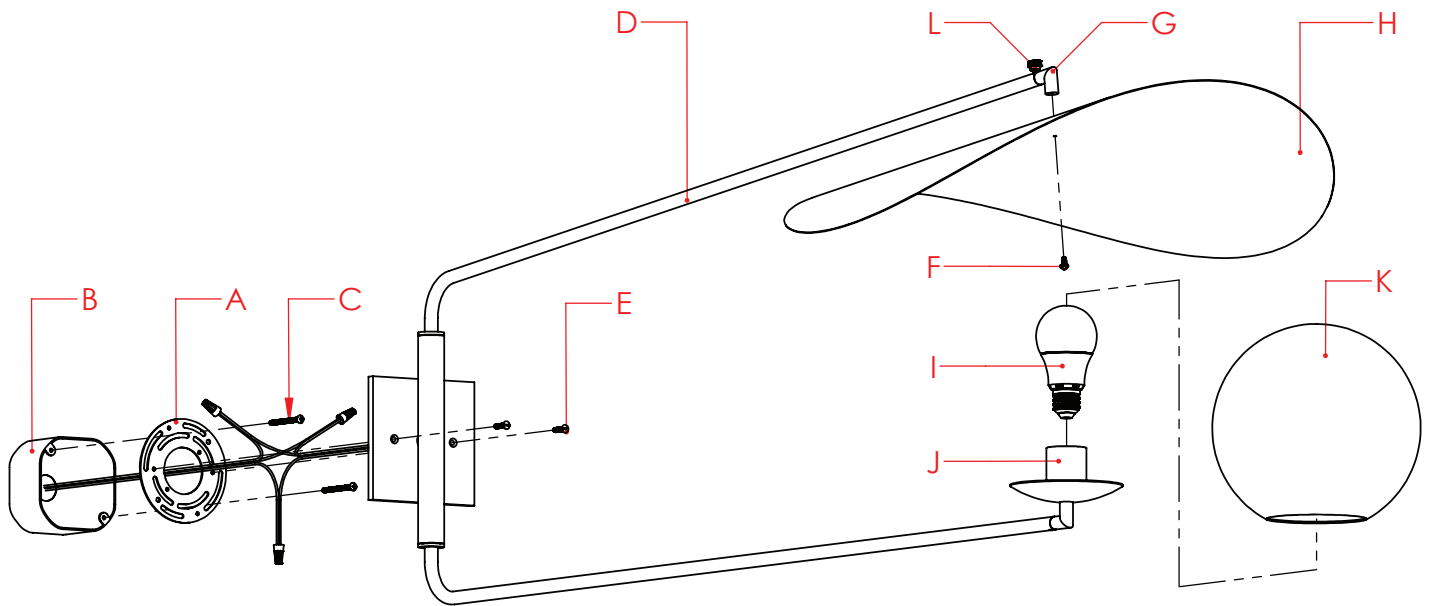

LAMPING

1 5.5W E26 LED bulb, 2700K color temperature.

SUN SHADE

1. Unwrap carefully. Attach mounting bracket (A) to j-box (B) using steel screws (C).
2. Splice wires as shown using included wire nuts, then attach fixture body (D) to mounting bracket using finished screws (E).
3. Remove shade screw and washer (F) from top elbow (G), then attach curved shade (H) as shown. Make sure screw is securely tightened.
4. Install included bulb (I) into socket (J), then secure globe (K) in place by sliding edges under spring clips.
5. Angle of shade can be adjusted by loosening thumb screw (L). Top and bottom arms can be freely adjusted to desired angle.
