

LAVA LIGHT

An exploration of natural forms and the precision of the man-made; a visual interpretation of that tension which exists in our everyday experience. Each volcanic lava rock and steel curve is 3D scanned in order to perfectly carve out a path in which they can intersect, furthering the play between the natural and technological intervention. The curved exterior is finished in a rich warm black while the interior is finished in a light antique brass.

Materials

Lava Rock
Steel
Acrylic
Brass

Standard Finishes

Exterior: Satin Black
Interior: Antique Brass

Dimensions

Main fixture: 24" W x 78" H x 12" D
